Dear Mr. Grube,

It is with pleasure we announce that Electro-Mec, Inc. is recipient of PPG's Glass Group Excellent Supplier Award for 1998.

This award is presented to those suppliers who have consistently provided quality products or services and have also demonstrated value added support that differentiate them from their competition.

PPG currently deals with 3,000 to 4,000 active suppliers who qualify for the Excellent Supplier Program. Since the inception of the program in 1992, PPG has given 43 Excellent Supplier Awards. Several suppliers have received the award twice. One has received the award 3 times. While one outstanding supplier has received the award all 4 times presented; Electro-Mec. This reflects your company's commitment to continuous improvement in your motor repair operations, new motor distribution, and your automation division which enables you and PPG to remain globally competitive.

Congratulation on your outstanding performance.

Sincerely,

A handwritten signature in black ink that reads 'Daniel E. Wolfred'. The signature is written in a cursive, flowing style.
